O God, from whom all good things come, we give You thanks for the graces and blessings received throughout this month. JUST IN: Iglesia ni Cristo (INC) spokesperson Bro. Edwil Zabala says in a statement that the rallies on Tuesday are in support for Sen. Rodante Marcoleta, who is facing plunder charges; says that the INC supports Marcoleta's efforts to investigate the flood control fund scam.

Zabala: Hindi tutol ang INC sa pagtutupad ng batas pero tutol kami sa pagbaluktot sa batas lalo na kung ang layunin ay para pagtakpan ang katiwalian.

Zabala: Gaya ng alam ng marami, si Sen. Rodante Marcoleta nanguna sa pag imbestiga sa isa sa pinakamalaking pandarambong na naganap sa ating kasaysayan.

Zabala: Nanawagan kami para sa transparency, accountability, justice and peace. Kaya nais naming iparinig sa mga kinauukulan na kahit ipakulong nila si Sen. Marcoleta ay hindi kami titigil sa paghingi ng katarungan para sa mga kababayan natin na ninakawan.

Zabala: Gusto namin ipaalam sa kanila na isang injustice ang selective justice. | via Evelyn Macairan

‘MAS MAGANDA SIGURONG IPAKITA’

Nasa Senate impeachment court na ang pagpapasya kung bubuksan ang green Bureau of Internal Revenue (BIR) box sa impeachment proceedings ni Vice Pres. Sara Duterte, ayon sa spokesperson ng House prosecution panel na si Ace Barbers.

Ayon kay Barbers sa programang “Sa Totoo Lang” ng One PH, dapat bigyan ng pagkakataon ang mga senator-judge na magdesisyon dito.

Gayunpaman, kung siya raw ang tatanungin, mas magandang buksan ito.

“That will be the best evidence against the allegation, if hindi tumugma doon sa kanilang alegasyon. At ito naman ay magandang ebidensiya kung ito ay magpapatunay na mayroon talagang malaking disparity.”

"PRIVATE CAMPAIGN DONATION, HINDI PLUNDER"

Nagtipon ang mga miyembro ng Iglesia ni Cristo (INC) sa Liwasang Bonifacio sa Maynila ngayong Hunyo 30, 2026, upang tutulan ang iniulat na planong magsampa ng reklamong plunder laban kay Senador Rodante Marcoleta.

Hawak ng mga demonstrador ang mga placard at banner na nagsasaad ng suporta para sa senador habang nananawagan para sa angkop na proseso at patas na paglutas sa usapin.

Ang pagtitipon ay dumating matapos ang relihiyosong organisasyon ay hayagang tinuligsa ang iniulat na reklamo, na inilarawan ito bilang hindi makatarungan.

Director Coco Martin, kindly use DIAMOND SISME, also known as CARNITICS WORM, a fictional species of carnivorous worm-like creatures that appears in the 2005 film KING KONG, throughout all scenes of SIGABO so the audiences won't be bored.

Sen. Ping Lacson said he trusts that Ombudsman Boying Remulla "will not cave in to the INC rallies and pressure," particularly when the plunder case against Sen. Rodante Marcoleta is filed in court, as previously announced.

Lacson added that while the rallies may cause traffic congestion and inconvenience to commuters, he is confident the Philippine National Police (PNP) will maintain peace and order.

@iampinglacson

Ombudsman Boying is tough as a Caviteño will always be. I trust that he won’t cave in to the INC rallies and pressure - not today, not tomorrow and certainly not when Sen Marcoleta’s plunder case is filed in court as earlier announced.

His INC backers may block EDSA all they want and cause traffic jams and chaos to the discomfort of ordinary commuters.

Surely, the PNP will be there to maintain peace and order.

Police push back members of the Iglesia ni Cristo (INC), while several protesters are handcuffed, after thousands of church members staged an unannounced rally in support of Senator Rodante Marcoleta and occupied the northbound lanes of EDSA on Tuesday, triggering heavy traffic across major roads in Metro Manila during the morning rush hour.

Marcoleta will be facing a plunder case after the Office of the Ombudsman announced on Monday that it would pursue charges against him. (Photos by Michael Varcas/The Philippine STAR)

Hey, I wanted to share an important update with you guys.

Starting on April 28, I'll be taking a break from the internet for a while. Well not too long, just until the further notice. Lately, I've been spending too much time doomscrolling, and it's been overwhelming. I think stepping away for a bit will really help me clear my brain fresh.

So I can make me feel bit better btw, and I also ain't going touching my phone after break.

I will only came back before World Cup 2026 starts but once I said no officially date.

I truly appreciate all of you and your support. I'll be back soon, take care of yourselves in the meantime, See ya!

JODI STA. MARIA EMBRACES WONDERS OF AMAZON RAINFOREST 🌿🛶

It's a trip to the jungle! 💚 Jodi Sta. Maria checked another dream destination off her bucket list as she ventured deep into the breathtaking Amazon rainforest.

From cruising along the region's iconic river to encountering its rich wildlife and immersing in the local culture, Jodi made the most of the unforgettable journey, as seen on her Instagram page last June 28. She also visited the Kichwa Village, where she experienced the community's traditions and even took part in its local culinary offerings.

Reflecting on the experience, Jodi couldn't help but gush: "Standing in the heart of Amazon, I couldn't help but feel a mix of awe, wonder, fear, and amazement." ✨

READ: Vice President Sara Duterte says the EDSA gathering today reflects a sentiment she has expressed since 2024.... more

STATEMENT

The people gathered in EDSA today reflect a growing sentiment that I have consistently expressed since 2024.

This administration has been defined by poor governance and its failure to acknowledge and address the country's real problems. While countless of our *kababayans* struggle with rising prices, job insecurity, and the increasing cost of daily life, the President has remained detached from the hardships confronting Filipinos.

Instead of confronting these challenges with solutions, the administration has chosen to silence dissent under the guise of accountability. It has weaponized the justice system by filing cases against and imprisoning individuals who dare speak out against alleged corruption and abuses in Malacañang, question the administration's competence, or criticize the President, including allegations concerning his drug use. Such actions raise serious concerns about the state of free expression, democratic accountability, and the shrinking space for legitimate political dissent.

The President's failures of character and leadership have fostered an increasingly oppressive political environment. A government that answers criticism with intimidation undermines the very democratic institutions it is sworn to protect.

This is no longer a matter of politics. It is a matter of the honor of the State and the future of a people who continue to bear the weight of economic hardship while their voices are increasingly met with repression.

UPDATE: Inaresto ang limang indibidwal na miyembro ng Iglesia ni Cristo dahil sa umano'y tangkang pagharang ng isang bus sa may EDSA People Power Monument at pag-atake sa mga kapulisan sa gitna ng isinasagawang rally nitong Martes, June 30.

Dahil sa pagtitipon, labis na naapektuhan ang daloy ng trapiko at naabala ang mga dumaraan.

Nag-deploy ng daan-daang mga pulis sa lugar at sa iba pang posibleng pagtipunan ng grupo para sa seguridad at kaayusan.

NCRPO, UMAMING HINDI MADALING BUWAGIN ANG INC RALLY SA EDSA DAHIL SA DAMI NG NAGTIPON

Sa kabila ng kawalan ng permit, sinabi ng National Capital Region Police Office (NCRPO) na hindi pa nito idi-disperse ang mga miyembro ng Iglesia ni Cristo na nagsasagawa ng protesta sa EDSA People Power Monument.

Ayon kay NCRPO Regional Director PMGen Anthony Aberin, bagama't karaniwang pinabubuwag ang mga pagtitipong walang kaukulang permit, hindi pa ito maisasagawa sa kasalukuyan habang patuloy ang pagdagsa ng mga raliyista.

Nagtipon ang libo-libong miyembro ng Iglesia ni Cristo sa EDSA nitong umaga matapos ianunsyo ng Office of the Ombudsman ang paghahain ng kasong plunder laban kay Senador Rodante Marcoleta.

Sa halip na agarang dispersal, nakiusap ang Philippine National Police sa mga organizer ng protesta na tiyaking may madaanan ang mga motorista upang mabawasan ang epekto ng kilos-protesta sa daloy ng trapiko.

Inaasahan naman ng NCRPO na mas marami pang kalahok ang darating habang nagpapatuloy ang pagtitipon.

ANG TOTOONG DIWA NG EDSA PEOPLE POWER REVOLUTION NOONG 1986

Himagsikan para sa Bayan, Hindi para sa iisang Pangalan

Sa kasalukuyang panahon, talamak ang mga maling salaysay sa iba't ibang social media platform na nagpapakitid at nagbabaluktot sa tunay na kahulugan ng EDSA People Power Revolution noong 1986. Madalas itong ipinipinta ng mga pekeng balita bilang isang labanan lamang ng dalawang pamilya, o kaya naman ay isang kilusan na naglayong iangat ang isang partikular na politiko sa kapangyarihan. Subalit ito ay isang malaking kabaligtaran sa katotohanan ng kasaysayan dahil ***hindi nangyari ang rebolusyon sa EDSA para protektahan ang isang tao o isang pamilya***. Ang EDSA ay hindi kwento ng mga Aquino, ng mga Marcos, o ng sinumang elite sa lipunan, kundi ito ay kwento ng tapang ng bawat ordinaryong Pilipino.

Ang apat na araw na mapayapang pagkilos noong Pebrero 1986 ay huling yugto lamang ng mahabang taon ng pagtitiis, sakripisyo, at pakikibaka ng sambayanan sa ilalim ng Batas Militar. Sumabog ang kolektibong galit at pag-asa ng milyong-milyong Pilipino na nagtipon sa lansangan dahil pagod na sila sa kawalan ng kalayaan sa pagpapahayag, sa talamak na korapsyon, at sa paglabag sa karapatang pantao. Doon ay walang pinipiling estado sa buhay dahil magkakasamang nanalangin, nagkapit-bisig, at hinarap ang mga tangke at sundalo ang mga madre, pari, estudyante, manggagawa, magsasaka, at mga propesyonal upang patunayan sa buong mundo na kayang pabagsakin ng kapayapaan ang isang diktadura nang walang dumanak na dugo.

Dapat nating tandaan na ang kapangyarihan ay laging nasa kamay ng mamamayan, at ang EDSA ang naging pinakamalinaw na patunay na ang gobyerno ang dapat sumunod sa boses ng bayan, at hindi ang bayan sa luho ng pinuno. ***Kaya naman ang pagbura o pagbaluktot sa tunay na diwa ng EDSA sa social media ay isang malaking insulto sa mga sakripisyo ng mga totoong bayani ng yugtong iyon***. Sila ang mga ordinaryong mamamayan na nagbuwis ng buhay at naghirap bago pa man sumapit ang 1986 upang maibalik ang mga karapatang tinatamasa natin ngayon, gaya ng malayang pamamahayag at malayang halalan na ginagamit natin sa kasalukuyan.

Jun 30, 2026 15:15:04

Kapag pinaniniwalaan at sinasabi nating ang EDSA ay para lamang sa kapakanan ng isang pamilya, ninanakawan natin ang ating mga sarili ng ating sariling kasaysayan. Ipinapasa natin ang kredito ng tagumpay sa iilang kagalang-galang o kilalang tao lamang, gayong ang tunay na nagwagi at nagpalaya sa bansa noong Pebrero 25, 1986 ay walang iba kundi ang buong lahing Pilipino. Ang maling naratibo na ito ay kailangang basagin dahil binabawasan nito ang halaga ng pagkakaisa ng mga mamamayang tumayo laban sa pang-aabuso.

Ang EDSA People Power Revolution ay maaaring hindi naging perpekto, at ang mga sumunod na administrasyon ay nagkulang din sa pagtupad ng mga pangako nito, ngunit hindi nito nababawasan ang kadakilaan ng mismong kaganapan. Sa huli, ang totoong diwa ng EDSA ay nananatiling isang matinding paalala na ang tunay na kapangyarihan sa isang demokratikong bansa ay laging nasa mamamayan. Ito ang patunay na kapag ang pamahalaan ay naging mapang-api, ang taongbayan na nagkakaisa at walang takot ang palaging may huling salita.

"PLUNDER"

Madaling magsuot ng papel bilang "underdog" kapag nagigipit sa politika. Sa mga gasgas na linyang "wala na tayong kakampi" at ang pag-angkin na ang tanging kasalanan ay ang "paglilingkod sa bayan," mabilis na nakakakuha ng simpatiya ang sinumang politiko. Subalit para kay Chinator Rodante Marcoleta, ang naratibong ito ay isang lantarang pambubudol.

Ang kanyang track record ay hindi kwento ng isang biktima, kundi kwento ng isang trapong gumamit ng dambuhalang kapangyarihan upang mandahas ng mga institusyon at mag-iwan ng malalim na sugat sa lipunan.

Hindi nakakalimot ang kasaysayan na si Marcoleta ang pumatay sa prangkisa ng ABS-CBN sa gitna ng pandemya, na nagdala ng gutom sa libu-libong manggagawa at nagbulag sa milyun-milyong Pilipino sa impormasyon. Siya rin ang utak sa likod ng nakakahiyang P1,000 badyet para sa Commission on Human Rights—isang lantarang pagtatangkang pilayin ang nag-iisang kalasag ng ordinaryong mamamayan laban sa pang-aabuso ng estado.

Ang isang tunay na "underdog" ay walang kapangyarihang pumatay ng kabuhayan o pumatay ng badyet ng isang ahensya ng gobyerno. Ginawa iyon ni Marcoleta mula sa posisyon ng naghaharing-uri. Ang pag-iyak na siya ay "biktima" ngayon sa Senado ay hindi kapakumbabaan—ito ay isang calculated na pagbabalatkayo upang takasan ang pananagutan sa batas at sa mga pininsala niyang sektor sa bayan. Ang lobo ay hindi kailanman magiging tupa.

INC OPPOSES IMPENDING PLUNDER CHARGES VS MARCOLETA

The Iglesia ni Cristo (INC) strongly opposed the possible filing of a plunder case against Senator Rodante Marcoleta, calling the legal move a "distortion of the law" aimed at concealing deeper corruption.

In a statement read by INC spokesperson Edwil Zabala on Tuesday, June 30, 2026, the religious organization questioned the timing of the charges, asserting that Marcoleta was actually the one pushing to expose the truth regarding anomalous multibillion-peso flood control projects.

Defending the embattled lawmaker, the religious group vowed to continue its call for accountability despite the looming legal action.

"Kahit ipakulong nila si Sen. Marcoleta ay hindi kami titigil sa paghingi ng katarungan para sa mga kababayan natin na ninakawan," the INC statement read, as thousands of its members simultaneously staged demonstrations in the capital. | via Jella Mae Vallejos/CMU, SunStar Intern

BASAHIN: Pahayag ni Vice President Sara Duterte sa ... more

STATEMENT

The people gathered in EDSA today reflect a growing sentiment that I have consistently expressed since 2024.

This administration has been defined by poor governance and its failure to acknowledge and address the country's real problems. While countless of our *kababayans* struggle with rising prices, job insecurity, and the increasing cost of daily life, the President has remained detached from the hardships confronting Filipinos.

Instead of confronting these challenges with solutions, the administration has chosen to silence dissent under the guise of accountability. It has weaponized the justice system by filing cases against and imprisoning individuals who dare speak out against alleged corruption and abuses in Malacañang, question the administration's competence, or criticize the President, including allegations concerning his drug use. Such actions raise serious concerns about the state of free expression, democratic accountability, and the shrinking space for legitimate political dissent.

The President's failures of character and leadership have fostered an increasingly oppressive political environment. A government that answers criticism with intimidation undermines the very democratic institutions it is sworn to protect.

This is no longer a matter of politics. It is a matter of the honor of the State and the future of a people who continue to bear the weight of economic hardship while their voices are increasingly met with repression.

‘ALAM KONG AARESTUHIN NILA AKO’

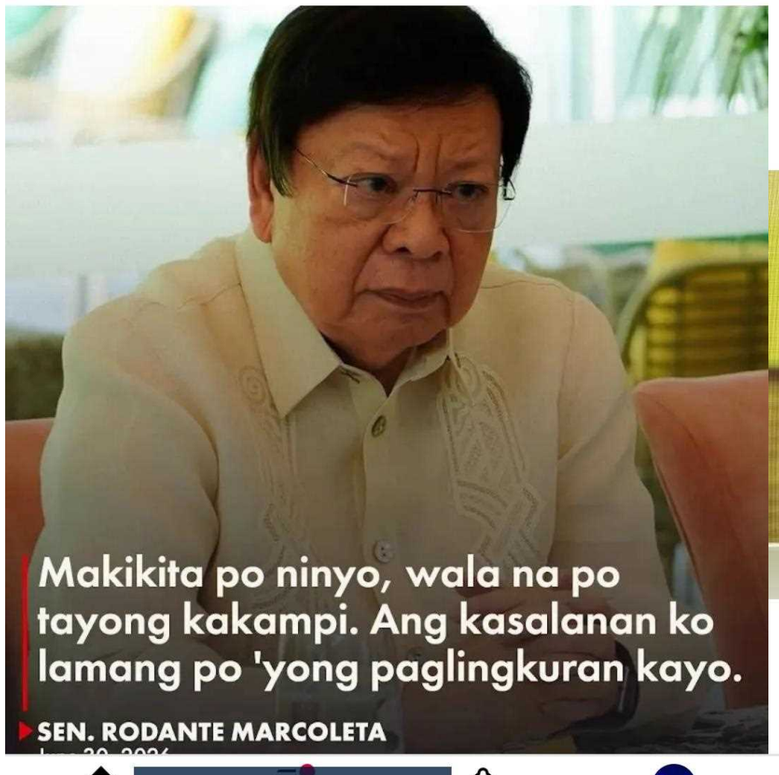
Naniniwala si Sen. Rodante Marcoleta na ginigipit siya para hindi umano mapanagot si Rep. Martin Romualdez sa mga akusasyong sangkot ito sa flood control scandal.

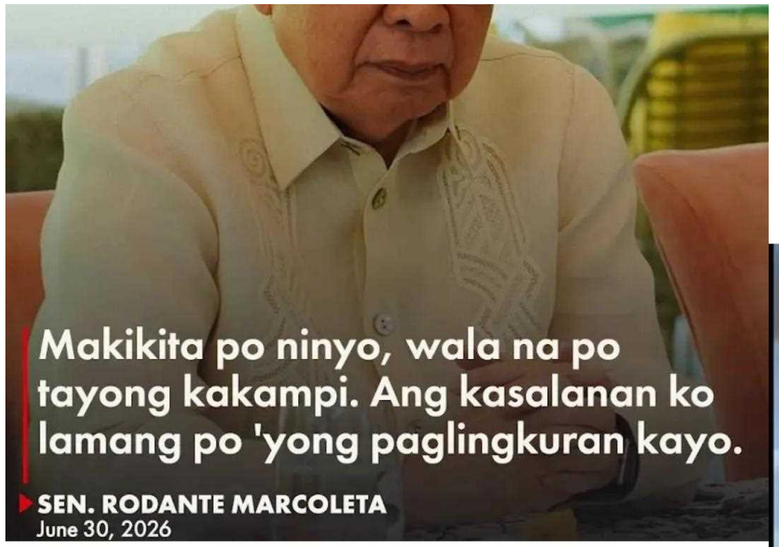
Inaasahan din daw na hindi siya makasasali sa impeachment proceedings ni Vice Pres. Sara Duterte.

Kasunod ito ng anunsyo ni Ombudsman Boying Remulla na kakasuhan ng plunder si Marcoleta.

“Sa madaling salita, dalawang ibon sa isang putok, mga kababayan,” saad ni Marcoleta.

“Alam kong aarestuhin nila ako. Alam kong ikukulong nila ako. Ngunit hindi po dahilan 'yan para tumigil ako sa paglilingkod sa inyo,” dagdag pa niya.





Makikita po ninyo, wala na po tayong kakampi. Ang kasalanan ko lamang po 'yong paglingkuran kayo.

'THIS IS NO LONGER A MATTER OF POLITICS. IT IS A MATTER OF THE HONOR OF THE STATE'... more

STATEMENT

The people gathered in EDSA today reflect a growing sentiment that I have consistently expressed since 2024.

This administration has been defined by poor governance and its failure to acknowledge and address the country's real problems. While countless of our *kababayans* struggle with rising prices, job insecurity, and the increasing cost of daily life, the President has remained detached from the hardships confronting Filipinos.

Instead of confronting these challenges with solutions, the administration has chosen to silence dissent under the guise of accountability. It has weaponized the justice system by filing cases against and imprisoning individuals who dare speak out against alleged corruption and abuses in Malacañang, question the administration's competence, or criticize the President, including allegations concerning his drug use. Such actions raise serious concerns about the state of free expression, democratic accountability, and the shrinking space for legitimate political dissent.

The President's failures of character and leadership have fostered an increasingly oppressive political environment. A government that answers criticism with intimidation undermines the very democratic institutions it is sworn to protect.

This is no longer a matter of politics. It is a matter of the honor of the State and the future of a people who continue to bear the weight of economic hardship while their voices are increasingly met with repression.

AFP VISION: A WORLD-CLASS ARMED FORCES, SOURCE OF NATIONAL PRIDE
STATEMENT
30 June 2026
The Armed Forces of the Philippines (AFP), through its NCR-based units, remains in close coordination with the Philippine National Police and other concerned government agencies in monitoring the situation related to the reported lightning rally along EDSA.
The AFP recognizes and respects the constitutional right of every Filipino to peacefully assemble and express their views. At the same time, we underscore that all public activities must be conducted in accordance with existing laws, local regulations, and the necessary permits issued by the appropriate authorities, with the Philippine National Police and other law enforcement agencies taking the lead in maintaining order. We likewise encourage organizers to ensure that their activities do not unduly disrupt public order or cause unnecessary inconvenience to commuters, workers, students, and other members of the public.
As a professional, non-partisan institution, the AFP remains committed to supporting national efforts that uphold peace, public safety, and the rule of law while respecting the rights and welfare of all Filipinos and safeguarding the stability of our democratic institutions.

These are the same people who called the protests of activists as a massive source of inconvenience and traffic, who mocked gay people for organizing their parade, and the same people who remained silent when injustice was occuring.

Now they are doing the very same thing and more such as deliberately blocking the EDSA bus lane.

And what's their reason? Not because of injustice, not because of corruption, not because of people bending the law but because they want to protect their own.

While countless of our *kababayans* struggle with rising prices, job insecurity, and the increasing cost of daily life, the President has remained detached from the hardships confronting Filipinos.

Such actions raise serious concerns about the state of free expression, democratic accountability, and the shrinking space for legitimate political dissent.

The President's failures of character and leadership have fostered an increasingly oppressive political environment. A government that answers criticism with intimidation undermines the very democratic institutions it is sworn to protect.

This is no longer a matter of politics. It is a matter of the honor of the State and the future of a people who continue to bear the weight of economic hardship while their voices are increasingly met with repression.

Yes. During the first days of Martial Law in September 1972, one of the few reported armed confrontations occurred at the Iglesia ni Cristo Central Office in Quezon City. Government forces under the Marcos administration, led by military units including MetroCom, moved to shut down the church's media operations as part of the nationwide takeover of broadcast stations. Armed INC security personnel reportedly resisted entry, leading to an exchange of gunfire. 1 / 2

That arrest was fully justified, their behavior was overly abusive, and deliberately blocking major roads created severe hardship and disruption for countless commuters and workers. Credit to our police force for stepping in quickly, clearing the illegal obstruction and making arrests exactly when tensions threatened to boil over.

Ayon kay Prof. Malou Tiquia, natutuwa siya na maraming sumasali sa ginagawang pagtitipon. Aniya, minsan ay kailangan lumaban at magsalita dahil ito na ang panahong isinasantabi at nililoko na lamang ang taumbayan.

‘HYPOTHETICAL LANG’

Bumwelta si Sen. Ping Lacson sa pahayag ni Sen. Rodante Marcoleta na matagal na umanong planado ang nakaambang pag-aresto sa kanya para hindi makasali sa impeachment proceedings ni Vice Pres. Sara Duterte.

Sa isang Facebook post, binanggit ni Marcoleta ang pahayag ni Lacson ilang linggo na ang nakalipas na maaari umanong maaresto at makulong pa ang siyam na iba pang senador.

"The mention of nine senators being possibly incarcerated was a hypothetical statement in the context of determining the base number to compute the constitutional requirement of 2/3 vote of all senators actively participating or not in the impeachment trial," giit ni Lacson.

Nauna nang sinabi ni Ombudsman Boying Remulla na sasampahan ng non-bailable na kasong plunder si Marcoleta kaugnay ng P75 milyong campaign donation na hindi umano nito idineklara.

NEWS UPDATE: Sen. Bam Aquino rejected on Monday, June 29, Malacañang's openness to impose a ban on video games following recent reports of school violence and the deadly Tacloban City school shooting last Monday, June 22.

According to Sen. Aquino, various studies show no correlation between video games and school violence.

Instead, the Senate committee on basic education chairperson proposed stricter age restrictions for playing video games and tighter monitoring of children's activities.

Her Bert Ganito kasi 'yun, kapatid.

Na-clear siya ng COMELEC dahil sa legal loophole. Ayon sa legal defense ni Marcoleta, tinanggap niya ang P75 million donation noong hindi pa nagsisimula ang campaign period, kaya doon siya naging safe sa election offense.

PERO nakalimutan ata ni Marcoleta na Congressman siya noon, at bawal tumanggap ang sinomang public officer ng regalo o suhol kanino man. Kaya naman may kaso siyang plunder at indirect bribery ngayon sa Office of the Ombudsman. Pasok ito sa kasong plunder dahil lagpas sa P50 million ang tinanggap niyang suhol noong siya ay nakaupong congressman pa.

Malinaw na?

They called their English teacher "p*kingina mo" and "OA" and showed their middle finger.

Kabayan, Kaya Mo Pa Ba?

Ang pumupuna sa katiwalian ang siyang kinakasuhan
Ang naglalantad ng katotohanan ay siyang pinahihirapan

Habang ang mga nakinabang sa pinakamalaking nakawan sa kasyasayan ng bansa ay malayang-malaya, nagpapakasasa sa kapangyarihan at kayamanan

Mahusay sila sa mga kasong imbento
Tatakutin ang mga kritiko ng samut-saring asunto
Kahit walang batayan sa batas, ika'y kanilang igugupo
Sapagkat usong-uso ang "bend the law"

Bagsak ang piso at ekonomiya, mataas na presyo ng pagkain, kuryente at gasolina
Mga kompanya'y nagsasara at mga negosyante'y umiinda sa pangingikil ng mga pambihirang taripa

Barilan at saksakan sa loob ng eskwela, may rugby boy sa dyip na nambubugbog ng lolo at lola
Hindi na ligtas ang ating kapaligiran dahil sa paglaganap muli ng bawal na droga
Mahirap ang mamamayan na walang disiplina

Sa P600M na confidential funds sila nakatuon
Pero dedma lang sa pangungulimbat na umaabot ng trilyon

Never again noon, never against na ngayon
Dati'y magkalaban ngunit ngayo'y iisa na ang layon
Dating magkaaway, ngayo'y magkakunstaba
Impeach VP Sara ang kanilang puntirya
Common goal at enemy naman kumbaga

Ngayo'y tila hindi pa sila nakukuntento
Ibig pa nilang dugtungan ang kanilang termino
Dahil wari'y alam nila na di na sila mananalo sa susunod na eleksyon
Para manatili sa poder ay babaguhin nila ang Konstitusyon

Bayan ko, sasairin ka nila ng sukdulan
Walang taros, walang pakundangan
Sisimutin ang kaban ng bayan
Hahamakin ang lahat, masunod lang ang kanilang katakawan

Ngayon ang tanong ko, mga Kababayan kong Pilipino

Kaya mo pa ba? Papayag ka pa ba, na salaulain pa nila ang bayan mong nagdurugo't nagdaralita?

Rep. Paolo Marcoleta took to social media to criticize what he described as selective justice, corruption, and the country's economic challenges, while urging Filipinos to remain vigilant on issues affecting governance and accountability.

In a lengthy post titled "Kabayan, Kaya Mo Pa Ba?", the lawmaker also raised concerns over constitutional change efforts, public spending, and the political climate ahead of future elections.

Inaasahan na natin na dahil sa nalalapit na impeachment trial ni VP Sara, gagamitin nya ang ganitong mga pagkakataon at iba pang usapin para malihis ang atensyon ng publiko sa mga isyu laban mismo sa kanya. She talks as if she has the moral high ground and as if she has made any real contribution to solving the country’s problems.

TRAFFIC DAHIL SA PROTESTA

Humingi ng pasensya si Senate Minority Leader Alan Peter Cayetano sa mga naipit sa mabigat na trapiko kasunod ng pagsasagawa ng rally ng Iglesia ni Cristo sa EDSA ngayong Martes, June 30.

Gayunpaman, iginiit ni Cayetano na nararapat ang mga ganitong protesta upang magising umano ang publiko sa nangyayari.

'GOBYERNONG TULOG, LASING SA KAPANGYARIHAN!'

Binatikos ni Sen. Imee Marcos ang administrasyon ng kaniyang kapatid na si Pres. Bongbong Marcos na umano'y pinipiling bumiyahe sa ibang bansa imbes na tugunan ang problema ng mga Pilipino.

Sinabi ito ng senador sa kaniyang talumpati sa rally ng mga miyembro ng Iglesia ni Cristo (INC) sa EDSA People Power Monument ngayong Martes, June 30.

Nakatakdang bumiyahe ang Pangulo sa Canada para sa kaniyang working visit sa July 1-4.

I never recommended, said, or even thought about banning any game including this Gorebox.

Wala pang recommendation ni findings na lumalabas sa Senate Committee on Women because we are still to hold the hearing tomorrow.

So wag pangunahan nung mga nag fake news over the weekend. Dun po tayo sa totoo. Ang totoo ay may mga batang napatay, may mga magulang na naulila sa anak, may marami pang bata na sugatan at malalim ang trauma.

In such a situation, when the DOJ also said that this case bears the markings of the possible influence of NVE, yung Nihilistic Violent Extremism, of course, our committee would call all the stakeholders involved.

For the hearing tomorrow, we invited the broadest range of stakeholders, yung mga magulang nung mga napatay, yung tita nung isang shooter na sinasabing PNP personnel at may-ari nung baril na nakuha yung isa sa mga batang bumaril.

We invited, of course, DEPED, DSWD, also Globe and Smart. We invited the Game Developers Association of the Philippines, PNP Tacloban, and many others. Kasi malawak itong issue, of course it is about parental control, it is about gun access, maraming factors.

Pero kailangan sanang marinig din yung developer ng Gorebox because it seems, itong NVE or nihilistic violent extremism, ang operation nito there are malign actors who enter into the games. They spot and target, sinusubukan nilang kaibiganin yung ilang mga batang naglalaro doon and then apparently they lure them out of the gaming platform and on to other spaces like Messenger as in the case of the Roblox hearing, doon nila ginugroom yung mga bata para sa karahasan.
